PRESS / *Theatre* (both adults and children)

octobre - december 2025:

## 'The Magic Flute' – W.A. Mozart opera for both adults and children

### **The Magic Flute' – W.A. Mozart**

The Magic Flute ('Die Zauberflöte') is an exotic adventure; a classical story about the struggle between good and evil. It's a fairytale....a story from the world of imagination inhabited by princes, dragons and exotic birds.

Poetic and comic elements blend together in this marionette version of Mozarts most famous opera.

Six puppeteers manipulate the large, wooden marionettes.

A performance for both adults and children (min. 7 yrs.).

*Because of the visual and musical character of the performance, the Dutch language will be no barrier.*

*A program sheet in English will be provided.*
